COACH JOHN WOODEN

Legendary UCLA coach John Wooden's Pyramid of Success is woven throughout each day at camp. Each day begins by presenting one of the building blocks of the pyramid and campers are challenged to exercise this principle in all of the day's activities. During the Film Work station, a short video of the day's building block is presented and discussed. The Pyramid of Success is a road map on what is necessary to achieve individual and team competitive greatness on and off the court.
