Practice(s): Practices (8) are held once a week and are agreed upon with your team and must be scheduled with China Perkins cperkins@gameonfw.com

Games: Each team is scheduled 8 games. Season winners will be determined by number of Wins & Losses.

ROSTER RULES

Players: Only players listed on the official roster maintained at the Game On Sports Complex office are eligible to participate in games. Guest players are not authorized at any time or under any circumstances.

Rosters: Additional players may be added to the official roster prior to the 2nd week of the season.

TEAM & INDIVIDUAL RULES

Playing Rules:

1. The game ball will be provided by Game On but players are welcome to play with personal volleyballs.
2. Leagues consist of 8 one hour matches. League games will be played best 2 out of 3 sets. Games one and two will be played to 25 points. The third set will be played to 15 as a tiebreaker. Please limit warm-ups on the court to 8 minutes.
3. Rally Scoring: A point is scored on every serve, no matter which team served. The team who wins the point gets to serve the next point. For example, "Team A" serves the ball out of bounds, so "Team B" gets the point and the next serve.
4. Each team may have three successive contacts to return the ball to the opponent's area. If the first touch is on a block, the team may have three additional contacts to return the ball.
5. The ball may contact any part of the body and any number of body parts as long as it does so simultaneously.
6. When the ball comes to rest momentarily in the hands or arms of a player, it is considered held. This is a violation.

7. Double contact occurs when a player hits the ball more than once with no other player touching it in between these contacts. A player who blocks the ball may touch it a second time without an intervening touch by another player.

8. If the ball is held simultaneously by two opposing players, it is a double fault and results in a play over.

9. If two players on the same team contact the ball simultaneously, it is considered as being one contact for their team.

10. A player who places any part of the body above the height of the net is considered to have the intention to block; only front-line players may block.

11. If two players contact the ball on a block, it is considered only one hit.

12. Captains report scores to China Perkins at the front desk, or at cperkins@gameonfw.com
